

**QENDRA KOSOVARE PËR STUDIME GJINORE-QKSGJ**

**FINANCIAL STATEMENTS WITH INDEPENDENT AUDITORS' REPORT**

**FOR THE YEAR ENDED 31 DECEMBER 2019**

## INDEPENDENT AUDITORS REPORT

**To: The management of Qendra Kosovare për Studime Gjinore-QKSGJ**

### **Opinion**

We have audited financial statements of Qendra Kosovare për Studime Gjinore-QKSGJ (the Organization), which comprises the statement of financial position as at 31 December 2019, and the income statement, for the year then ended, and notes to financial statements, including a summary of significant accounting policies. In our opinion, the financial statements of Qendra Kosovare për Studime Gjinore-QKSGJ, for the year ended 31 December 2019 are prepared, in all material respects, in accordance with the financial reporting requirement of organization and relevant laws in Kosovo.

### **Basis for Opinion**

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements section of our report*. We are independent of the Organization in accordance with the ethical requirements that are relevant to our audit of the financial statements in Kosovo, and we fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### **Responsibilities of Management and Those Charged with Governance for the Financial Statements**

Management is responsible for the preparation of the financial statements in accordance with the financial reporting requirements and for such controls as management determines is necessary to enable the preparation of financial statements that are free from material misstatements, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Organization's ability to continue as going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless management either intends to liquidate the Organization or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Organization's financial reporting process.

### **Auditor's Responsibilities for the Audit of Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs, we exercise professional judgment and maintain professional skepticism throughout audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Organization's ability to continue as going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of auditor's report. However, future events or conditions may cause the Organization to cease to continue as a going concern.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

**8. Subsequent events**

There are no events subsequent to the date of Statement of Financial Position that require adjustments or disclosure in the Financial Statements.

***Extraordinary events***

**COVID-19:**

The rapid development of the Covid-19 virus and its social and economic impact in Kosova and globally may result in assumptions and estimates requiring revisions which may lead to material adjustments to the carrying value of assets and liabilities within the next financial year. In particular, management expects the assumptions and estimates used in determining Intangible Assets, Property and Equipment, Right-of-use Assets, Trade and Other Receivables, Borrowings, Trade and Other Payables and their carrying values might be affected. However, at this stage management is not able to reliably estimate the impact as events are unfolding day-by-day. The longer-term impact may also have an impact on revenues, cash flows and profitability. Nevertheless, at the date of these financial statements the Company continues to meet its obligations as they fall due and therefore continues to apply the going concern basis of preparation.
